B. AIMS and OBJECTIVES:

1. AIMS OF THE COURSE:

This course aims to provide a well-rounded language learning experience that supports students in developing their listening and speaking skills while also building their overall communicative competence in English.

2. COURSE DEVELOPMENT OBJECTIVES:

On successful completion of the course students will be able to:

1. Developing students' listening skills by providing authentic and engaging listening materials that expose them to a variety of English language contexts, accents, and speech patterns.
2. Enhancing students' speaking skills through interactive speaking activities and tasks that encourage active participation, collaboration, and the application of learned language structures and vocabulary.
3. Integrate listening and speaking skills in a balanced manner, ensuring that students have opportunities to practice and improve both receptive (listening) and productive (speaking) language skills.
4. Providing a wide range of language input, including vocabulary, grammar structures, idiomatic expressions, and pronunciation features, to support students' listening and speaking skill development.
- 5 . Encouraging students' confidence and fluency in using English through practice, feedback, and opportunities for meaningful communication in the target language
